In our capacities as Regular and Deputy Comptrollers of the Banco Central de la República Argentina (B.C.R.A.), we have reviewed, as described below, the B.C.R.A.'s Balance Sheet, Income Statements and Net Worth Development as of December 31, 2009, Notes 1 to 7 and Annexes I to IV to said documents, having signed them for identification purposes only.

This review has been carried out in accordance with the procedures described in the Annex attached hereto, which do not comprise all the tasks necessary to give an opinion on the financial statements as a whole pursuant to the auditing rules in force.

Moreover, the above-mentioned review has been focused on the consistency of the relevant information included in the documents described in the first paragraph, following the steps adopted by the B.C.R.A.'s Board of Directors and Management, and the observance of the B.C.R.A.'s Charter – Act. N° 24.144, as amended – and other applicable rules regarding formalized aspects and documents.

As of the date of closing of the present financial statements, the item “Temporary Advances to the National Government” reflected no advances pending settlement in accordance with the provisions set forth under Article 20 of the B.C.R.A.'s Charter, modified by Article 72, Act. N° 26.422.

Based on the review performed and the statements made in the foregoing paragraphs, we have no objections to the financial statements under consideration and advise the B.C.R.A.'s Board of Directors to approve them.

We further report that we have overseen the observance by the B.C.R.A. of its Charter and other applicable rules by monitoring the decisions adopted at the Board of Directors' meetings, which we have routinely attended, and where we have given our opinion and made recommendations when needed in line with the authorities and duties entrusted to us under Article 36 of the B.C.R.A.'s Charter.
