#### INDEPENDENT AUDITORS' REPORT

To the Chairman and Governors of BCRA (Central Bank of Argentina) Registered office: Reconquista 266 City of Buenos Aires

Taxpayer identification number 30 -50001138 -2

## Report on the financial statements

We have audited the accompanying financial statements of the BCRA (Central Bank of Argentina) (hereinafter the "Bank" or BCRA), which comprise the balance sheet as of December 31, 2019, the statements of income, changes in equity and cash flows and cash equivalents for the fiscal year then ended and notes 1 to 8 and exhibits I to V presented as supplementary information.

# Board's Responsibility for the Financial Statements

The Bank's Board of Governors is responsible for preparing and fairly presenting the accompanying financial statements, in compliance with the accounting framework established in its "Accounting Policy Manual", which takes into account the special characteristics of its functions and operations as monetary authority, in accordance with section 34 of the Bank's Charter. This Accounting Policy Manual was approved by the Board of Governors by means of Resolution No. 86 dated May 16, 2013, and it was updated by means of Resolution No. 2 dated January 2, 2020. The Board of Governors is also responsible for such internal control as it determines is necessary to enable the preparation of the financial statements that are free from material misstatement whether due to error or irregularities.

### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the standards set forth by Technical Resolution No. 37 of the Argentine Federation of Professional Councils in Economic Sciences (FACPCE) and the "Minimum Standards applicable to External Audits" issued by the BCRA, as deemed appropriate in view of the Bank's specific characteristics. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures on a selective test basis to obtain audit evidence about the amounts and disclosures in the financial statements. We relied on our professional judgment to select the procedures to be performed, including assessing the risk that the financial statements may include material misstatements When performing this risk assessment, we considered the Company's existing internal controls on the preparation and presentation of financial statements for the purpose of selecting the adequate auditing procedures, but not of expressing an opinion on the efficiency of the Entity's internal controls. An audit also includes assessing the accounting principles used and the reasonableness of the significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the BCRA as of December 31, 2019, the results of its operations, the changes in equity and cash flows and cash equivalents for the year then ended, in conformity with the accounting framework established in the "Accounting Policy Manual", described in notes 3 and 4 to the accompanying financial statements.

# Emphasis of matter

Without further modifying our opinion, we draw the attention of the users of this report to the following aspects included in the Notes to the accompanying financial statements:

- a) As indicated in note 3.1. to the accompanying financial statements, the Entity has prepared its financial statements in accordance with the criterion set forth in its "Accounting Policy Manual", which takes into account the provisions applicable to the BCRA, as set forth in its Charter and in other national Laws and Decrees ("the BCRA financial reporting framework"), involving a treatment different from that set forth by the professional accounting standards in force regarding: the measurement of the Nontransferable Bills and Treasury Bills Law 27541 held (as indicated in Notes 2.1, 4.2.1.2.1 and 4.2.1.2.2.); the need not to restate the financial statements in constant currency (as indicated in Note 3.4), and the valuation of non-financial public sector items not stated at market value, which do not fall under the scope of allowance guidelines as provided for by the BCRA's accounting standards applicable to financial institutions, and
- b) as indicated in the third paragraph of Note 1 to the accompanying financial statements, Nature and Purpose of the Central Bank of Argentina, based on the special characteristics of its functions and operations as monetary authority, the Bank performs, among others, a significant number of transactions with the Argentine Government, which guarantees its operations, and holds assets and liabilities, including transactions on its behalf.

#### Other matters

Without further qualifying our opinion, we state that the accompanying financial statements have been prepared by the Entity to present fairly the relevant financial information in accordance with the BCRA financial reporting framework, although since such standards differ from the professional accounting standards mentioned in the Emphasis of Matter Paragraph, the financial statements differs from the presentation provided for by the professional accounting standards.

## Report on other legal and regulatory requirements

In compliance with legal provisions in force, we report that:

- a. The financial statements arise from the Bank's accounting records, which were not transcribed into legalized books as it is not required by its Charter;
- b. In compliance with current professional standards and pursuant to UIF (Financial Information Unit) Resolution No. 285/09, the application of verification procedures to assess the existence and operation of internal control procedures against money laundering and terrorist financing is the exclusive responsibility of the Public External Control Agency (*Auditoría General de la Nación*).

c. as of December 31, 2019, the accrued liability for retirement and pension contributions payable to the Argentine Pension Fund System arising from the accounting records was ARS 195,335,126, no amounts being due as of that date.

City of Buenos Aires, May 7, 2020
